Anton AURDZIEG.

TO THE BRITISH MILITARY COURT HAMBURG

I, AURDZIEG, Anton was displaced by force to Germany in 1941. A few weeks later, I was arrested and dragged into K.Z. In 1945 only I was liberated by the British Forces. In June 1945 I was arrested on the ground of a charge which was worded to the effect that I was said to have hit fellow-prisoners. On the ground of this accusation I was sentenced to 10 years by the Military Court Lüneburg. I was connected with the Belsen Trial. I ask you very much to take regard to me, as I was very youthful at that time and was influenced by older fellow-prisoners. As I have grown reasonable now, I repent my actions from all my heart. I most cordially ask the ~~KKK~~ High Court to take regard to me, because I was very stupid and young during my office. In the K.Z. I have had to suffer very much, and as I have offended I cannot yet understand today that I was so stupid then.

respectfully

sgd. Antoni AURDZIEG.
